Consequently, feeling hopeless, I decided to rejoin the organization on January 2nd, 2023. However, I was denied entry to the office premises, and my ID card was subsequently locked. It was not until February 27th, 2023, under the guidance of headquarters, that I was finally granted access to the premises. During this entire period, my employment status remained uncertain due to the organization inaction. As a result, I was unable to seek employment elsewhere, resulting in significant financial and career setbacks.</p> <p>Query 1 - I kindly request information regarding the compensation rules that apply in this matter as per the office policies.</p>	<p>Nil</p>
<p>Query 2 - Also, I request clarification on the timeline for compensation, considering the rising interest rates on my existing loans.</p> <p>I am attaching the document which states that the resignation was under process from 1st June 2022. And, i was still an employee of the office.</p>	<p>Not applicable</p>

महोदय/Sir,

विषय : आर.टी.आई. अधिनियम - 2005 के अधीन मांगी गई सूचना के संबंध में
Sub: Information sought under RTI Act - 2005 - Reg;

Kindly refer to your RTI application No.IPRCM/R/E/23/00049 dated 15/06/2023 received by CPIO, IPRC seeking information under the RTI Act, 2005. In this regard, the details pertaining to IPRC received from the custodian of records is furnished below.

QUERY	REPLY
<p>A. Please refer to the LTC Claims from IPRC referred to Air India for verification and the reply received from them on 99 cases.</p> <p>i) What are the discrepancies noted by IPRC in the above claims?</p> <p>ii) Is the amount in Air Ticket altered for a higher value as cautioned by CVO DOS in 2012 (Encl)? Then it is a serious matter of integrity issue/forgery/ embezzlement of government money. Hence, it is a Fraudulent LTC claim/Forgery.</p>	<p>The actual amount paid to Air India is lesser than the amount settled to the employee.</p> <p>The question is in the nature of clarification/seeking opinion, which doesn't come under the definition of information under section 2(f) of RTI. Act.</p>
<p>B. IPRC did not initiate any disciplinary proceedings on those employees who were in service at that time (in 2015/16) when Air India provided their reply after the verification of the cases. Based on what Rule, IPRC did not initiate disciplinary proceedings on those cases as Fraudulency which is reason to initiate disciplinary proceedings?</p>	<p>The question is in the nature of clarification/seeking opinion, which doesn't come under the definition of information under section 2(f) of RTI. Act.</p>
<p>C. In the past IPRC initiated a few disciplinary proceedings against their employees (DP) has any disciplinary proceedings (DP) been initiated against their employees?</p>	

3/8/23

<p>i) Is this Fraudulent LTC claim by forgery of the Air Ticket a minor event to be ignored when compared to them? If so, kindly provide the guidelines based on which it was deemed to be a minor case, not in the ambit for the initiation of DP.</p> <p>ii) Did VO IPRC bring to the notice of CVO/DOS in writing when large scale forgery cases in the LTC Claims were identified by Air India in 2015/16. Kindly provide a copy of that letter.</p> <p>iii) Any waiver notes on not to initiate DP was received from CVO/DOS? Copies of the communications may please be provided.</p>	<p>The question is in the nature of clarification/seeking opinion, which doesn't come under the definition of information under section 2(f) of RTI. Act.</p> <p>No. Not applicable</p> <p>No. Not applicable</p>
<p>D. 364 out of 607 claims were referred to Air India although instruction from CVO is to refer all the 100% claims. Air India provided verification for 99 claims in 2015/16 and requested verification charges to proceed further. In 99 claims verified 98 are fraudulent claims (nearly 100%). So, out of 607 total claims, it is highly probable that many more can be fraudulent claims. From RTI replies it is understood that the verification charges were not paid by IPRC leading short closure of verification by Air India thus violating the 100% verification mandate given by CVO/DOS.</p> <p>i) Is it not tantamount to sabotaging the verification process in order to protect some of the defaulters.</p> <p>ii) Refer DoPT OM F.No.18/26/2011 EST Pay I) dtd 06/02/14 Para 3 iii (Encl). Kindly provide the names of IPRC/LPSC Administrative Officers (IFA, Head PGA, Head AS, Director, Vigilance Officer) who served IPRC in 2015/16 responsible for this by exhibiting fraud, favoritism, negligence and carelessness in not initiating DP.</p>	<p>The question is in the nature of clarification/seeking opinion, which doesn't come under the definition of information under section 2(f) of RTI. Act.</p> <p>The question is in the nature of clarification / drawing inferences, which doesn't come under the definition of information under section 2(f) of RTI. Act.</p>
<p>E. Refer to Lok Sabha unstarred question No 3379, answered on 16/3/11 (Encl). It clearly indicated that such Officials who had submitted Fraudulent LTC claim cannot hold sensitive posts (Director, DD, AD, Head AS, Vigilance Officer etc). Kindly provide the names of the Officials who had submitted the Fraudulent LTC claims but still have been duly promoted and allowed to assume sensitive posts listed above.</p>	<p>The question is in the nature of clarification / drawing inferences, which doesn't come under the definition of information under section 2(f) of RTI. Act.</p>

Reviewed under Section 10(1)

6. Review and promotion:

6.1 A clear distinction between supervisory and non-supervisory levels will be drawn for the purpose of review and promotion of administrative staff. As an example, staff including Office Clerk 'A', Office Clerk Assistants 'A' and 'B' will be treated as non-supervisory Staff in all categories in the scale of pay of Rs 650-960 will be considered as the first supervisory level and grades higher than this will all be supervisory levels.

6.2 Promotion of administrative staff will only be effected strictly on the basis of availability of vacancies in the higher grade. The service required to be rendered in a particular grade for becoming eligible for consideration for promotion to higher grades will continue to be the same as laid down in the Office Memorandum dated 1st December 1975, as amended from time to time. The crucial date for deciding the eligibility will be the date on which the interview of the candidate is fixed by the Committee.

(ISRO HQ O.M. No. HQ:ADMN:4.20(2) dated 14th June 1979)

6.3 The review of administrative staff for promotion to higher grades after completion of the stipulated period of service in the lower grade will be conducted in accordance with the norms laid down as and when considered necessary having regard to the number of persons already available on the panel and the number of vacancies that are likely to arise and be filled up during the year. It will no longer be necessary to adhere to the standardised dates of review of January and July every year for those in the grade of Rs 700-1300 and above and April and October every year for those in grades below Rs 700-1300.

(ISRO HQ O.M. No. HQ:ADMN:4.20(2) dated 14th June 1979)

6.4 Persons found suitable by the appropriate Selection Committees as a result of review, will be placed on panels in order of merit. The panel will be valid normally for a period of one year, extendable by another six months, and will be operated upon as and when vacancies arise. On the expiry of the validity of the panel and whenever review of personnel in the same category is conducted consequent on vacancies arising in the higher grades subsequently, those who were in the earlier panel will also be reviewed, with the exception that they will only be required to undergo the interview and not the written test, along with other eligible employees and, if again found fit for promotion, they will be placed in the fresh panel according to the merit secured by them in the subsequent review.

6.5 With regard to extension of the period of validity of the panel beyond one year, it is clarified that the authority who is competent to approve the panel alone is competent to extend it beyond the original period of its validity. Orders of extension of the validity of the panel beyond the original period will have to be obtained before the actual date of expiry of the panel and not on a subsequent date; e.g., if a panel expires on 31st December, orders regarding extension of the panel beyond that date should be obtained on or before that date. Extension of the validity of the panel will be based normally on the availability/likely availability of vacancies in the higher grade that are likely to arise within the period of extension and if it is felt not advantageous to commence the process of review and preparing a panel again. It would not be normally advisable to extend a panel on a routine basis.

(ISRO HQ O.M. No. HQ:ADMN:4.20(2) dated 19th March 1981)

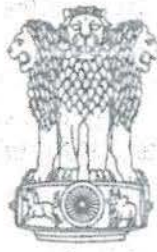

6.6 When a person makes a written request to the effect that he does not want to accept the promotion offered to him to a higher grade and the request for foregoing the promotion is accepted by the Appointing Authority, the next person in the panel will be promoted. The person

who declines the promotion will not be considered for promotion for a period of six months from the date of refusal of such promotion. Thereafter, he will again be offered the higher post subject to a vacancy becoming available. If he refuses to accept the promotion again, he will not be considered for promotion for another period of six months. If, after the lapse of one year, the validity of the panel expires, he will have to appear again for the interview along with others not promoted during the currency of the panel. A person who has refused promotion for reasons acceptable to the Appointing Authority, on eventual promotion to the higher grade, will rank below the persons already promoted to that grade.

OFFICE MEMORANDUM

Sub: Review of administrative personnel – Revised Rationalised date – Reg.

This has reference to ISRO HQ OM No.4.20(2) dated 04.02.1982 stipulating the rationalized dates of review in respect of the administrative personnel. In this context, the issue relating to the modification of the procedures of review of Administrative personnel in DOS/ISRO – particularly adoption of a single rationalized date – has been under consideration for quite some time. While considering this, the possibility of simplification of procedures and work-load on account of review work have also been kept in mind. Accordingly, the following modifications in the extant orders on the subject are ordered:

2. Rationalised date of review:

2.1. The existing rationalized dates of 1st January, 1st May and 1st September followed for review of the administrative personnel is changed to a single rationalized date in a year i.e. 1st July except for the Fire Service Personnel. Henceforth the review of Administrative personnel will, therefore, be held only as on the rationalized date of 1st July and this will commence from the year 2007.

2.2 In view of the above, in the revised pattern of review, those who have completed or will be completing the prescribed number of years of residency period in the lower grade/feeder category as on 30th June of that year will alone be considered for review for promotion as on the rationalized date of review of 1st July of the year.

2.3 In this year of introduction of the revised pattern from 1st July 2007, in case sufficient candidates are not found eligible and due for review within the stipulated zone of consideration for any particular post(s) i.e. 30th June, 2007, as a special case, the zone of consideration for such posts could be stretched upto 30th Sept. 2007. It is reiterated that this exception of extending the zone of consideration for conducting the review as on 1st July 2007 is limited to this year only and shall not be quoted as precedence. In other words, the zone of consideration of the eligible candidates as specified at 2.2 above for review as on 1st July shall be strictly adhered to for conducting the reviews in future.

3. The reviews shall be normally held for all categories of administrative posts as of 1st July every year on a regular basis and panels drawn accordingly. This shall apply to all categories of administrative personnel in Groups-A, B, C & D posts. Fresh panels shall be drawn before 30th June of every year for operation from the rationalized date of 1st July of that year only. The competent authority will approve the panels so drawn, but the panels will become operational only for one year i.e. upto 30th June of the succeeding year. In other words, the promotions will be effected from the said valid panels against vacancies existing/occurring within the validity period of the panels only. The existing orders on the subject stand modified to this extent.

4. As per the existing orders in vogue, those in Administrative area are considered for promotion against vacancies available, wherever they exist. In so far as Groups 'B', 'C' and 'D' personnel are concerned, there is generally no change of station. The Officers' cadre is being considered for promotion on all ISRO basis and therefore it involves transfer from one Centre/Unit to another Centre/Unit and outside postings. Since the promotion of Officers cadre often involves transfer, the promotees may accept or refuse the promotion and posting. In the revised pattern of Review now introduced, those who refuse promotion are not eligible for promotion for a period of one year from the date of refusal. The existing order stands modified to this extent.

5. The existing panels shall continue to be operated till its present validity period. Any process to draw panel for any post(s) for want of valid panel(s) already commenced with respect to earlier rationalized dates of review, but panels yet to be drawn, may immediately be stopped and action taken to draw fresh panel as on 1st July, 2007 by following the procedures stipulated in 2 & 3 above. The process for drawing panels for 2008 onwards shall be initiated from April of every year so that panels are available for operation from 1st July of that year itself.

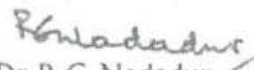

6. The existing scheme of officiating promotion which provides opportunities of promotion for shorter durations against leave vacancies in administrative categories shall continue as hitherto. However, in the revised pattern of review for Administrative personnel, as officiating promotions are effected from the valid panels also, the panel validity will not get extended even if Official/(s) is/are officiating from the said panel/(s) beyond the one year validity period of the panel/(s). In other words, while generating the officiating promotion proposals, care should be taken to ensure that the spell of officiating promotion for shorter durations does not overlap with the validity of the panel and such officiating promotions are contained only within the validity period of the respective panel/(s). Such officiating spells, if any, shall count only for drawal of increments if otherwise eligible and not for any other purposes. In this process, the officiating promotion shall be delinked from regular promotion and such promotees will not have any claim whatsoever for

- a) regular promotion,
- b) consideration for conversion to regular promotion without reversion,
- c) continuance for the purpose of regularising the promotion against regular vacancy and
- d) counting the period for the purpose of review.

The existing orders on the subject stand modified to this extent. Cases of adhoc promotions shall remain exempted as they are resorted for special reasons.

This takes effect from 1st July 2007.

Hindi version will follow.

QUERY	REPLY
<p>1. The RTI query is about 7 CPC Pension revision for Sci / Engr SF retired during 5 CPC periods (01/01/1996 to 31/12/2005) taking 2 Additional Increments (2AI) of Rs.800 as Pay as Honourable High Court Judgement. As per DOS OM No 2/10(8)/98 I (Vol III) dt. 20/01/2014 2AI of Rs.800 was considered as Pay for Pension and Pensionary benefits. The pension was revised in 5 CPC and 6 CPC periods considering 2AI as Pay i.e. 2AI merged with retirement basic pay. The pension was revised in 7 CPC periods (from 01/01/2016) based on DOS OM No. A 12021/13/2016-1 dt.09/08/2017. DOS followed a different method by excluding 2 AI to arrive at Notional Pay and then adding 7 CPC 2 AI i.e. Rs.7,400 and arrived at 7 CPC Notional pay and 7 CPC Pension. These Pension revisions were carried out in 2017/2018.</p>	
<p>1) Kindly provide me copy of 1 sample in each 7 CPC Pension Revision Advices for 5 CPC retired persons in the grade Sci / Engr SF retirement basic pay Rs 16,700, Rs 17,100 and Rs 17,500 sent by PAO IPRC to CPAO New Delhi based on DOS OM No. A 12021/13/2016-1 dt.09/08/2017.</p>	Copy enclosed

2. Para 5 of DOS OM No. A 12013/7/2011 3 (Vol VII) dt. 09 June 2023, states that while revising the pension/family pension, if ISRO Centre/Units find that where the revision is disadvantageous to the pensioners, such cases may be sent to the Department for examination. I understand ISRO Centres have not carried out 7 CPC pension revision as per DOS OM dated 09 June 2023 for the pensioners whose pension re-revision will end in disadvantage. Refer DOS OM No.A.12013/7/2011-3 (Vol VII) dt.18/08/2023 and it has been recommended to maintain uniformity, it has been decided to revise pre 2016 pension/family pension in respect of all Sci/Engr in the grade SD to SG as per methodology advised by DoE and DoPPW.

Sub: Information sought under RTI Act - 2005 - Reg:

Kindly refer to your RTI application No.IPRCM/R/T/23/00008 dated 22/12/2023 transferred from ISRO, Headquarters and received by CPIO, IPRC seeking information under the RTI Act, 2005. In this regard, the details pertaining to IPRC received from the custodian of records is furnished below:

QUERY	REPLY
<p>Sir, Kindly refer the written examination result of LMV driver under advertisement No. IPRC/RMT/2023/ 01 DATED 26/03/2023.</p> <p>In the above said result, it is noteworthy that myself, name ANANDU S (30001244) have scored 68.75 marks(UR), and one L. BHASKARAN (30000909) scored 61.25 marks (UR) respectively. In Advertisement (IPRC/RMT/2023/ 01) published by IPRC it clearly states that the selection is purely based on the marks obtained in written test and merit. In the said advertisement it is also mentioned that the total LMV driver Vacancy is 2, one for UR and another for SC. Furthermore it also states that out of two vacancy one is reserved for EX- Service, however, in this advertisement there is ambiguity regarding the selection of ex-service position since it is not clearly mention how this vacancy will selected for. Pertaining to this ambiguity even though I have scored more in the examination, Mr L. Bhaskaran has listed ahead of me in the selection panel list even overlooking my merit of the written examination that should have been considered for selection. Given the published criteria, I respectfully request that you reevaluate the selection list. Additionally, I would appreciate clarification on the reasoning behind the current decisions.</p>	<p>The detail sought is in the form of clarification which does not come under the definition of information under Section 2(f) of RTI Act. 2005.</p>

महोदय/Sir,

विषय/Sub: Representation received from Shri. D.R. Selvanayagam retired Scientist/Engineer-'H', IPRC, Mahendragiri - req:

संदर्भ/Ref: IPRC letter No.IPRC/ADMIN/EST/II(3)/2023 dated 16.03.2023 & 03.06.2023

Shri. D. R. Selvanayagam, retired Scientist/Engineer-H, IPRC, Mahendragiri vide e-mail dated 10.10.2023 has submitted a representation claiming that the DOS OM No.A.22013/2/2017-I(Vol.IV) dated 03.07.2020 has not been implemented uniformly across the DOS/ISRO Centres/Units.

2. The pension in respect of those retired Scientist/Engineer H including Shri D.R. Selvanayagam were revised under 7th CPC duly following DOS guidelines issued vide OM dated 03.07.2020. As per the guidelines, the notional pay to be fixed as on 01.01.2016 corresponding to their pay as on the date of retirement and Special Pay of Rs.4000/- to be added as a separate element and then pension to be calculated.

3. During the Pension Adalat held at IPRC on 21.03.2022, Shri Selvanayagam had informed that in those cases of retired Scientist/Engineer H, URSC, Bengaluru had merged the Special Pay of Rs.4000/- with the basic pay on retirement for the purpose of calculating the notional pay as on 01.01.2016 under 7th CPC and their pension was fixed accordingly. He had demanded to fix his pension also as did by URSC. When the matter was checked with URSC Administration, it was informed that URSC had re-visited such cases and regulated as per DOS guidelines issued vide OM dated 03.07.2020. This position was revealed to Shri D.R. Selvanayagam during the Pension Adalat meeting held on 06.07.2023 at IPRC.

4. However, Shri D.R. Selvanayagam has enclosed in his mail dated 10.10.2023, the copy of RTI replies received from URSC, Bengaluru (dated 03.05.2023 & 06.10.2023) and ISRO, Headquarters (dated 07.06.2023) wherein it is observed that the pension fixed in respect of Pre-2016 pensioners retired in Scientist/Engineers 'H' grade are not as per the guidelines issued by DOS vide OM dated 03.07.2020.

5. Further, vide RTI reply dated 06.10.2023, URSC has stated that no pension orders were revised in accordance with DOS guidelines dated 03.07.2020 which has resulted in an anomaly among the pensioners retired in Scientist/Engineer H grade.

6. In the above circumstances, the representation of Shri D.R. Selvanayagam submitted through e-mail on the above anomaly is forwarded herewith for review and disposal at the earliest.

**Sub: Scheme for employment of Gang Labourers in LVF & LMF-
Payment of Wages-reg.**

Reference is invited to 'Gang Labourers (Employment for Sporadic Types of Work) Scheme' of Department of Space, Government of India, 2012 which has been implemented in LPSC, Valiamala and Mahendragiri w.e.f. 03.09.2012. The Gang labourers engaged as per the said Scheme are entitled for wages at daily rates with reference to the minimum of Pay Band for erstwhile Group 'D' employees in -1S Pay Band and the corresponding Grade Pay i.e., ₹4440-7440/-+GP ₹1300/- including DA, HRA and transport Allowance, if any. As per this office communication of even number dated 06.11.2012, Daily Wages has been arrived at by applying the formula BP+DA+TPA, if any, divided by 26 days as being done in the case of contract labourers based on the instruction received from Assistant Labour Commissioner ©, Thiruvananthapuram. However, this does not mean that the Gang Labourers are entitled for payment of wages only for 26 days in a moth.

In certain cases, it has been found that payment of daily wages to Gang Labourers is being restricted to 26 days even though they perform work for more number of days. In this connection, it is clarified that daily wages to Gang Labourers engaged under the above said Scheme may be paid for the actual number of days including holidays, subject to a maximum of 30 days in a month based on their attendance duly certified by the respective SPSO (Stores).

Reference is invited to 'Gang Labourers (Employment for Sporadic Types of Work) Scheme' of Department of Space, Government of India, 2012 which has been implemented in LPSC, Valiamala and Mahendragiri w.e.f. 03.09.2012. As per this office communication of even number dated 06.11.2012, Daily Wages has been arrived at by applying the formula BP+DA+TPA, if any, divided by 26 days as being done in the case of contract labourers based on the instruction received from Assistant Labour Commissioner ©, Thiruvananthapuram. Reference is invited to 'Gang Labourers (Employment for Sporadic Types of Work) Scheme' of Department of Space, Government of India, 2012 which has been implemented in LPSC, Valiamala and Mahendragiri w.e.f. 03.09.2012. As per this office communication of even number dated 06.11.2012, Daily Wages has been arrived at by applying the formula BP+DA+TPA, if any, divided by 26 days as being done in the case of contract labourers based on the instruction received from Assistant Labour Commissioner @, Thiruvananthapuram. Payment of Wages-reg.**

Reference is invited to 'Gang Labourers (Employment for Sporadic Types of Work) Scheme' of Department of Space, Government of India, 2012 which has been implemented in LPSC, Valiamala and Mahendragiri w.e.f. 03.09.2012. The Gang labourers engaged as per the said Scheme are entitled for wages at daily rates with reference to the minimum of Pay Band for erstwhile Group 'D' employees in -1S Pay Band and the corresponding Grade Pay i.e., ₹4440-7440/-+GP ₹1300/- including DA, HRA and transport Allowance, if any. As per this office communication of even number dated 06.11.2012, Daily Wages has been arrived at by applying the formula BP+DA+TPA, if any, divided by 26 days as being done in the case of contract labourers based on the instruction received from Assistant Labour Commissioner ©, Thiruvananthapuram. However, this does not mean that the Gang Labourers are entitled for payment of wages only for 26 days in a month.

In certain cases, it has been found that payment of daily wages to Gang Labourers is being restricted to 26 days even though they perform work for more number of days. In this connection, it is clarified that daily wages to Gang Labourers engaged under the above said Scheme may be paid for the actual number of days including holidays, subject to a maximum of 30 days in a month based on their attendance duly certified by the respective SPSO (Stores).
